**National Active Shooter Program/Johns Creek PD: LT. Todd Hood**

This will be our 2<sup>nd</sup> annual Gun Talk presentation with three key speakers (listed on the flyer). These three men are going to address several topics which including safety inside our city/county, home defense, gun safety, gun rights and the Active Shooter Program. Written questions may be presented before the program or you may ask your own questions once the speakers have completed the presentation. We have invited key pillars of our city, county and legion to attend so that they can answer questions you may have for them.

This event is open to ALL so please feel free to join us. Maybe you too, as I have found while asking for support, will know why we call these men our heroes!!!

**When the time to perform arrives, the time to prepare has passed...BE READY!!!**
